Applying Cultural Anthropology: An Introductory Reader (Paperback)

By Aaron Podolefsky, Peter Brown, Scott M. Lacy

McGraw-Hill Education - Europe, United States, 2012. Paperback. Condition: New. 9th edition. Language: English. Brand new Book. The ninth edition of Applying Anthropology: An Introductory Reader is a collection of articles that provide compelling examples of applied research in cultural anthropology. In this age of globalization and increased cultural intolerance, the basic messages of public anthropology are more important than ever. This new edition offers ten new readings that refer to contemporary social issues such as religious belief, work and family, social class, food production, relationships, consumerism, the effects of climate change on culture, and globalization.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Otis Wisoky

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).

-- Dr. Everett Dicki DDS
